BLUE SHIPPING

Established in 2018, Blue Marine Shipping (BMS) is a freight forwarder specializing in sea freight, air freight, and customs clearance.

We support our clients in shipping all types of goods through reliable, secure, and tailored solutions.

OUR SERVICES:

SEA FREIGHT

- Transport of all container types (20', 40', high cube reefer...)
- Ocean and air groupage for LCL or shared cargo shipments
- Transport of vehicles, machinery, and industrial equipment
- Handling and shipping of bulk and general cargo

AIR FREIGHT

- Freight forwarding to arrival airports
- Door-to-door delivery
- High-priority freight
- Cargo Pick-up / Delivery services
- Personalized customer service units
- Budget-Friendly air cargo services

ROAD & RAIL FREIGHT

Blue Marine shipping offers both dependability and flexibility with our customized over-the-road trucking and rail solutions:

- Flexible, non-asset based solutions
- Dry van, LTL, refrigerated, flatbed
- Drop Trailer Pools
- Diverse equipment for any kind of shipment
- Branch network with local access to global capacity

WAREHOUSING

Our strategic hub used to store, consolidate, and manage cargo before, during, or after transportation.

It plays a critical role in ensuring efficient logistics operations.

With modern packaging and warehousing techniques and an advanced distribution system, we help you automate processes, so that you deliver to your customers in perfect time, every time.

CORE FEATURES

INVENTORY MANAGEMENT SYSTEMS

- Tracks stock levels, locations, and movements in real time

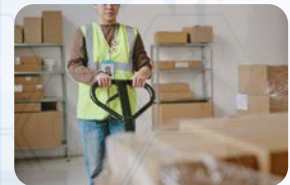

HIGH-SECURITY SYSTEMS

- Surveillance cameras, access control, and alarm systems to protect cargo

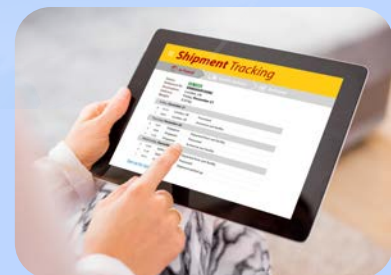

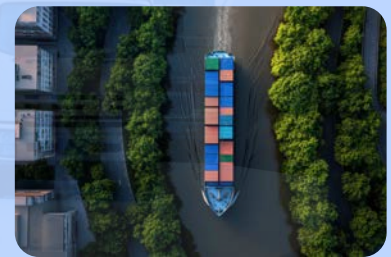

CARGO HANDLING ZONES

- For large-volume items or smaller categorized goods

SHIPMENT TRACKING & MANAGEMENT

- Real-time tracking: monitor your containers and cargo from the port of origin to the destination
- Customs duty management: optimize your import/export taxes and exemptions
- Detention and storage: monitor port storage periods to avoid unexpected fees
- Support and claims: fast and effective handling of any shipment anomalies or complaints

Our goal is to ensure transparency, security, and peace of mind for all your logistics operations.

MARITIME NETWORK

Blue Marine Shipping benefits from a vast international maritime network:

- Partnerships with major shipping lines to ensure reliable and regular departures
- Global coverage: Asia, Europe, Africa, America
- Route optimization to reduce transit time and costs
- Integrated multimodal solutions (sea, air, road) for flexible and efficient delivery

AFTER-SALES SERVICE

At Blue Marine Shipping, our commitment doesn't end with shipment:

- Personalized assistance for all post-shipment inquiries
- Post-delivery tracking and confirmation
- Document support (invoices, BLs, certificates, customs)
- Claims management and fast resolution of any disputes

TRANSIT

Blue Marine Shipping collaborates with SAMA Transit located in Ivory Coast.

OUR PRIORITY

To build a lasting relationship of trust through responsive and professional support.

OUR PROMISE

With Blue Marine Shipping, your goods travel safely and arrive on time
We transport, you move forward.
